IDEOLOGY OF NATIONALISTS PATRIOTIC PARTY

The ideology of Nationalist Patriotic Party is **Nationalism and Patriotism with a duty and responsibility to the Kenyan people as one driven by a disciplined orientation and focus**

This ideology is embodied in the enduring, sustainable, unifying and inspirational constructs of Nationalism and Patriotism that speak to what the Party believes in and stands for with a goal to **“maximize the quality of life for all Kenyan Citizens thereby making them feel great, happier, satisfied people through the implementing superior and credible social, economic and political programs”**

The ideology demands the conduct of public affairs to be guided by patriotism thus ousting the festered challenge of tribalism that has bedeviled this country for a long time. It is a Kenya first, and forward ideology pursuing the best interest of Kenyan people even as it seeks to collaborate with others

It is a people centered ideology anchored on Seven Pillars of Economy, Socio-Political, Leadership & Governance, Constitutionalism & Rule of Law, Environment, Innovation & Technology as described below,

ANCHORS OF THE IDEOLOGY
